

**REMARKS**

The specification has been amended to make specific reference to the application from which the subject application claims benefit of priority under 35 U.S.C. § 120. Note that 37 C.F.R. § 1.78(a)(2), which sets forth a time period requirement for making such a reference, does not apply to the subject application, since the filing date of the subject application is earlier than November 29, 2000. See MPEP § 201.11.

Entry of this Amendment is believed to be proper, and such action is courteously solicited.

Applicants' undersigned attorney may be reached in our Costa Mesa, California office at (714) 540-8700. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,
